Links

This website and social media profiles used by the EOTDL (as outlined below) contain links to other websites that are external to the EOTDL. The EOTDL has no direct control over the content of the linked sites, or the changes that may occur to the content on those sites. The EOTDL is not responsible for the content or reliability of links, or for any loss or inconvenience arising from their use.

Providing links to external websites does not constitute an endorsement or a recommendation of any material on those sites or of any third-party products or services offered by, from or through those sites. Users of links provided by this website are responsible for being aware of which organisation is hosting the website they visit.

Social Media

The EOTDL uses a number of social media services to complement its traditional public outreach activities. These services include Twitter, YouTube, Instagram, LinkedIn and social bookmarking and sharing buttons on the EOTDL's websites. The number and nature of social media services used by the EOTDL will change over time. The following disclaimer applies to all social media services in use by the EOTDL at any given time, regardless of whether they are listed on this page.

Any content, views, opinions and/or responses to questions or views uploaded, expressed or submitted by the creators, sponsors, advertisers or users of social media services used by the EOTDL, other than the content provided by the EOTDL, are solely the views, opinions and responsibility of the person submitting them and do not necessarily reflect the opinions of the EOTDL. The EOTDL is not responsible for content that third parties publish, post, upload, distribute, disseminate, or otherwise transmit via social media services.

Social media services may occasionally be unavailable, and the EOTDL accepts no responsibility for lack of service due to downtime. The EOTDL, its staff, agents and contractors, accept no liability whatsoever arising from or connected to the currency, accuracy or completeness of any material posted on social media sites and disclaims all responsibility for any loss or damage which may arise from the use of information provided via this vehicle.

The EOTDL recommends that users exercise their own skill and care with respect to their use of information or material posted on social media and that users carefully evaluate the accuracy, currency, completeness and relevance of the material contained on social media sites or any linked site.
